

The annual bulky waste collection service is available to households with an existing kerbside waste collection service in Upper Hunter Shire.

Scone, Gundy and Moonan Flat
October 13 - 17, 2025

Murrurundi, Blandford, Wingen, Parkville and Bunnan October 20 - 24, 2025

Cassilis, Merriwa and Aberdeen
October 27 - 31, 2025

- Ensure items are secure to avoid windblown littering.
- All waste is expected to be collected by 31 October 2025.
- The collection service will not return to any street that has already been serviced.
- Any waste placed by kerbsides outside of this 3 week period will be considered illegal waste and fines could apply.

How much you can put out

Each household may put out a maximum equivalent of one standard box trailer load (2m³). Anything in excess of this may not be collected. It will be up to you to remove this uncollected excess waste, which will be considered as illegally dumped waste once the bulky waste service has ceased.

See overleaf for tips on the types of waste that will and will not be collected as part of this service.
