

UPPER HUNTER SHIRE YOUNG ENDEAVOUR SCHEME

11 to 21 April 2023

NOMINATION INFORMATION

A VOYAGE ON THE YOUNG ENDEAVOUR

A voyage on the tall ship Young Endeavour is a voyage of a lifetime. The successful nominees will spend eleven days with 23 other young Australians, learning not only how to sail the ship, but how to work together as a team. They will get to see spectacular parts of Australia many others never see.

Your nominee/s don't need to be sailors, most have never sailed before. They need to be an Australian citizen or permanent resident, live within the Upper Hunter Shire area and aged 16 to 23 on the sailing date, be able to swim 50 metres and be in good health.

On board, the crew learn to sail a 44 metre tall ship on the open sea. They will be involved in all aspects of sailing from climbing the mast, setting the sails, navigating, keeping watch, taking the

helm and helping in the galley. They will be trained by a professional Navy crew who are there to ensure the highest standards of safety and care.

A Young Endeavour voyage is not a leisurely cruise. It is challenging and exhilarating. The young people will meet and live with people from across Australia, from all walks of life, some of who may become their closest friends.

By submitting a nomination for the Young Endeavour, you have the chance to provide someone with a unique, challenging and inspirational experience which will increase their self-awareness, develop their teamwork and leadership skills and create a strong sense of community responsibility.

Message from the Mayor

The Upper Hunter Shire Council and its sponsors are proud to offer positions for the Young Endeavour Youth Development Program to youth aged 16-23 years.

The Young Endeavour is an exciting opportunity for the youth of the Upper Hunter to sail a tall ship off the East Coast of Australia. Participants commit to an exhilarating 11-day journey, learning not only how to sail a square-rigged tall ship, but how to lead, support others, and work together as a team. It is a challenging yet rewarding opportunity, that previous graduates of the program describe as 'life changing'.

The program enhances confidence, leadership, and teamwork skills. In a supportive environment, participants will have their boundaries thoroughly tested, creating memories that last a lifetime. Be prepared to face your fears, push yourself out of your comfort zone and discover how you rise to challenges.

If you are ready for an adventure like no other, apply today.

Maurice Collison
Mayor, Upper Hunter Shire
